Screwfix's Horndean Store Manager, Pat McEntree, said: "We chose to open a new store in Horndean to better meet the needs of the local tradespeople. Many of our new customers previously shopped with Screwfix at our Havant and Waterlooville stores, so we're delighted to bring Screwfix even closer to them for greater convenience.

"Our celebration weekend, which ran from Thursday 13th until Sunday 16th February, attracted hundreds of customers. We have received fantastic support from local homes and from the

local community and are looking forward to supporting more busy tradespeople and serious DIYers in Horndean."

The Screwfix Foundation, has donated more than £4m to local charities and community projects enabling them to fix, repair or maintain facilities. Screwfix staff are directly involved in helping community projects and host charity fundraising events within the stores.
