ST ELIZABETH'S GETS A HELPING HAND FROM THE SCREWFIX FOUNDATION

St Elizabeth's based in Much Hadham, is celebrating after being awarded £5000 worth of funding from The Screwfix Foundation, a charity which supports projects to fix, repair, maintain and improve properties and facilities for those in need.

Sam Prow from St Elizabeth's comments: "We are very grateful to The Screwfix Foundation for donating these much-needed funds to support our charity. St Elizabeth's supports some of the UK's most vulnerable children and adults living with severe epilepsy and other complex needs. The funding will be used towards to purchase tools and equipment to be used by our wonderful corporate volunteers in improving the residential and learning facilities here at St Elizabeth's to help improve the place that our residents call home. We'd like to thank everyone who was involved in the fundraising – it's been a great help to us."

Steve Dunston, Screwfix Foundation Trustee said: "Supporting charities such as St Elizabeth's with much-needed funding to help fix, repair, maintain and improve their facilities is vital. It's great to see this donation go toward such an important project that benefits those in need."

The Screwfix Foundation, which launched in April 2013 donates much needed funding to help a variety of local projects throughout the UK, from repairing buildings and improving community facilities, to improving the homes of people living with sickness or disability.

It also works closely with Macmillan Cancer Support, as well as supporting smaller, local registered charities like St Elizabeth's Centre.

Relevant projects from across Hertfordshire are invited to apply online for a share of the funding at screwfixfoundation.com.
